

The FIE (Federation Internationale D'Escrime) are the governing body for the worlds sport of Fencing, and their rules state that a fencer must observe **strictly** and **faithfully** in an **orderly, disciplined** and **sporting manner** the expectation of the fencing community and FIE rules.

In detail it even says "a fencer must remain orderly and must not disturb the smooth running of a bout".

BFC expect no less of its **Reader Cadets** (named after someone who contributed significantly to the initiation of the Cadet element within the club. Our interpretation of the rules for our cadets reflect each letter of his name and may result in a special award for exceptional demonstration of these values. It begins and ends with **Respect**.

Reader Cadet Award for showing;

RESPECT: ***Respect** for other fencers and officials

Not belittling, ridiculing, bullying or insulting

ENERGY: *Channelling both physical and mental **energy** into improving ones skill

Taking responsibility of time management to improve your fencing knowledge & skill

AIDING: ***Aiding** in the smooth running of fencing events, bouts and classes

Without waiting to be asked, seeing where you can rightly contribute and contributing

DISCIPLINE: *Showing **disciplined** behaviour in following the rules/instructions of the club

Not negatively affecting the smooth running of the club e.g. disrupting fencing bouts/officials

ENGAGEMENT: ***Engaging** with and showing **COMMITMENT** to the sport and the club

Being earnest in your attempts to apply your fencing knowledge and fencing skills

RESPECT: ***Respect** for the sport of fencing and BFC and not bringing either into disrepute

In the outside world and other visited venues reflecting the values of these codes.
